Contact us to express your interest in future workshops or enquire about our workplace training options.

Prices listed are per person. Prices may vary if a short course has additional requirements including, but not limited to, specific venue hire, catering requests, travel beyond one (1) hour from any QATC college or training hub, or if enrolment numbers are not expected to meet the usual minimum quantity of participants. If a given short course has a price that varies from above, it will be specified separately against that intake on any promotional materials. Short course schedule (current as at 01/03/2018) is subject to change without notice. Please contact us to confirm locations and times.
